

Dr Eva Ehlich

Partner

German Patent Attorney

European Patent Attorney

Representative before the UPC

Chemist

Eva represents European, US and Japanese companies in the chemical, biochemical and pharmaceutical sectors whom she advises and assists in drafting, prosecuting, defending, enforcing and challenging IP rights in Germany, Europe and worldwide. Along with preparing freedom-to-operate and validity analyses she has experience in patent litigation and strategic patent filing, especially in the area of drug delivery, pharmaceuticals and medical uses (small molecules and biologics) as well as in coordinating international patent portfolios and freedom-to-operate strategies. Eva has received numerous recognitions for her professional activities as a patent attorney.
