Nao Takeuchi

Patent Attorney Trainee

European Patent Attorney Trainee

M.Sc. Pharmaceutical Sciences

Nao Takeuchi is a patent attorney trainee at Maiwald. Her work is mainly related to IP protection in the fields of chemistry, biochemistry and pharmacy.

After completing her master's degree, she joined a chemical company in Tokyo where she worked in the IP department, handling patent applications for a wide variety of chemical products. She has several years' experience across a variety of IP areas, including patent drafting, patent prosecution and patentability searches. She was admitted as a Japanese patent attorney in 2019.
