## Dr. Martina Müller-Dyck

**Counsel**

**German Patent Attorney**

**European Patent Attorney**

**UPC Representative**

**Chemist**

Martina provides advice to inventors and companies on issues relating to patents and utility model applications, opposition proceedings and nullity actions before the German Patent and Trademark Office and before the European Patent Office. She prepares validity analyses and opinions concerning infringements of technical IP rights. Martina has wide-ranging technical expertise, especially in the areas of physical chemistry, biophysical chemistry, molecular biophysics as well as spectroscopy, and enjoys taking on cases with an interdisciplinary element. From 2016 to 2018 Martina has been a member of the examination panel for German patent attorneys.
