

Christian Tietze

Associate

Associate

German Patent Attorney

European Patent Attorney

Physicist

Christian is a patent attorney at Maiwald. He specializes mainly in patent prosecution and oppositions in all areas of physics and engineering, in particular those relating to measurement technology, medical devices and electrical and mechanical engineering.

In the course of his doctoral studies in the nuclear and particle physics group at the Technical University of Munich, where he specialized in proton detection as part of a neutron lifetime experiment, Christian gained valuable experience through participating in research programs and conferences.
