Marvin Bäumel

Technical Expert
M.Sc. Mechanical Engineering

Marvin Bäumel is a patent attorney trainee at Maiwald. He works on IP protection in mechanical and plant engineering, automotive engineering, electrical engineering, and information technology.

During and after his studies, he gained practical experience in the automotive industry. The areas he focused on were complete vehicles, prototype construction and control, and measurement technology as well as quality management for heat pumps. He also worked as a research assistant in the fields of sealing technology, 3D flow simulations, and smart grids.

His master's degree focused on motor vehicles and electrical machines and drives. The master's thesis he authored at the Institute of Automotive Engineering (IFS) was on the early detection of damage to electric powertrains using acoustic systems.

CAREER

since 2024 Patent attorney trainee at Maiwald
2021 - 2024 Patent attorney trainee at a German IP law firm

EDUCATION

since 2022 Studies law for patent attorneys at the University of Hagen
2017 - 2020 Master's degree in mechanical engineering at the University of Stuttgart
2014 - 2017 Bachelor's degree in mechanical engineering at the University of Stuttgart

PRACTICE AREAS

- Electrical & Mechanical Engineering
- Communication & Information Technology
- Mobility & Energy
- Measuring & Process Technology
- Patents & Utility Models

SERVICES

- Patent prosecution and portfolio management
- Filing strategies and drafting patent applications
- Freedom-to-operate and validity analysis
- Opposition and nullity proceedings

LANGUAGES

- German
- English
