Dr. Ulrike Herr

Partner

German Patent Attorney

European Patent Attorney

UPC Representative

Chemist

Ulrike specializes in the fields of chemistry and pharmaceuticals, with particular emphasis on medicinal products, dental materials and organic chemistry such as polymers.

Ulrike provides counselling on patent portfolio strategies and portfolio management across a wide range of IP-related matters including validity, infringement and nullity proceedings, supplementary protection certificates, due diligence and freedom-to-operate. She drafts patent applications and oversees patent prosecution worldwide. She has successfully conducted numerous opposition and appeal proceedings before the EPO. She advised on and coordinated national and international filings of supplementary protection certificates. Ulrike is furthermore member of the [Maiwald UPC taskforce](#) and responsible for UPC related topics at Maiwald.
