Susanna Heurung

Partner

Attorney-at-Law

Certified IP Lawyer

Susanna provides comprehensive advice and assistance to clients in matters relating to German, European and international trademark law, design law, competition law, copyright law and food law. Her work involves preparing and processing applications for registration as well as legal and out-of-court proceedings in opposition, cancellation and infringement proceedings, warning notices and temporary injunctions. Susanna represents clients before the competent German and European bodies and courts and has also successfully appeared on behalf of clients before the European Court of Justice. In 2018 she became head of the firm's trademark department.
