Julia Tillmann
Business Support

Julia is Senior Marketing Specialist at Maiwald and is responsible for the firm's external image.

In addition to studying International Business Communication with a focus on marketing, she is also a fully qualified patent paralegal with several years professional experience. Prior to joining Maiwald, Julia worked for a US IT distributor in the field of marketing and event management. She skilfully deploys the expertise acquired in the digital sphere and her store of practical IP knowledge to further Maiwald's modern, cross-disciplinary and target group-specific online and offline communication efforts.
