

## **Dr. Eva Ehlich**

**Partner**  
**German Patent Attorney**  
**European Patent Attorney**  
**UPC Representative**  
**Chemist**

Eva represents European, US and Japanese companies in the chemical, biochemical and pharmaceutical sectors whom she advises and assists in drafting, prosecuting, defending, enforcing and challenging IP rights in Germany, Europe and worldwide. Along with preparing freedom-to-operate and validity analyses she has experience in patent litigation and strategic patent filing, SPCs, especially in the area of drug delivery, pharmaceuticals and medical uses (small molecules and biologics including vaccines) as well as in coordinating international patent portfolios and freedom-to-operate strategies. In this context she coordinates as hub-counsel team-lead large attorney teams including attorneys from Maiwald and international partner law firms.

Eva has received numerous recognitions for her professional activities as a patent attorney.
